

20th January 2021

Dear Mr. Raymon Ram,

We, from Centre for Australian Degree Programs at INTI International College Subang would like to take this opportunity to express our heartfelt thanks for conducting the following Employer Lecture to our Final Year Students enrolled in COMM331 (integrative Business Capstone):

Title: *Nexus between Corruption and Business*

Date/Day: 6th November 2020 (Friday)

Time: 3:00pm-5:00pm

Employer Lectures are very much valued by INTI, in our journey to bring Industry into the classroom. During these challenging times of the pandemic, your contribution is even more meaningful to ensure that students still get to hear from experts in the industry, while learning in the safety of their homes.

I look forward to your continuous support with future speaking engagements, as such events enrich the learning experience of students.

Sincerely,

Lee Chee Seng
